I AM RUNNING FOR

staff representative to the Board of Directors of DFDS A/S

BECAUSE I WANT TO:

- Help shape the future of DFDS A/S
- Ensure that ratings are heard on the Board of Directors
- Strengthen the information flow between board and employees

MY BACKGROUND:

- Strong network among ratings, officers and managers
- Knowledge of what staff members wish for the future
- Experienced staff union rep. and board member
- Currently working in the mess at 'Sirena Seaways'

IN SMALL PRINT:

... for me it is a major target to ensure that ratings are represented on the Board of Directors. Ratings (catering staff, able seamen etc.) after all is the largest group of staff working at sea in DFDS.

More about me:

1987-1991 – baker in Australia
